

Details of Indus International Fzc (Dubai location) Internship + PPO for 2027 batch 15 May 2026

we are seeking internship candidates who, upon successful completion of their 1-year internship, will be offered full-time employment with us. Please find attached the detailed Job Description for your reference.

Conditions:

- Minimum 7.0+ CGPA required.
- Open to all streams, with preference for Mechanical, Manufacturing, and Chemical Engineering students.
- Candidates with strong Positions of Responsibility (e.g., Sports Secretary, Sports Captain, Techfest Head, etc.) will be strongly preferred.
- Internship duration will be strictly for 1 year. Any leave taken will not be counted toward completion of the internship period.
- No leave will be permitted except on company-approved public holidays. Leave for examinations will not be allowed.
- Internship Stipend: AED 1,500 per month + air-conditioned shared accommodation + office commute + visa.
Note: Emirates ID charges (AED 400) will be borne by the candidate.
- Post Internship Job Offer: AED 4,000 per month + up to 25% performance bonus + air-conditioned shared accommodation + office commute + visa + one round-trip air ticket every 2 years.
- Once selected for the Internship + Job opportunity at Indus, candidates will not be eligible to participate in any other campus placement process and must not pursue higher studies during this period.

Students can join as full time intern. They can do internship in Dubai until December end.

If the student is doing well and if PPO is offered , they can continue as intern for another 6 months before they join FTE in July 2027. If by December 2026 they are not doing well, they will be released and go back to India.

Selection Process:

- A Pre-Placement Talk (PPT) will be conducted by our CEO, Mr Abhir Bhomavat.
- Applications will be invited with all terms and conditions duly acknowledged by the candidates.
- Candidates will undergo 1–2 rounds of interviews, either in-person or virtual.
- Selected candidates will receive an Offer Letter, which must be signed and returned along with the required documents.

We are looking to hire around 3–6 candidates.

Why Indus:

- Hands-on exposure across manufacturing & supply chain functions
- Direct interaction with senior leadership & global clients
- A culture of ownership, innovation, and continuous learning
- Clear career growth opportunities in a dynamic environment

We look forward to your kind support in recommending suitable candidates and building a strong collaboration.

Please review the above requirements carefully. We need the selected candidates to join between 1st June~5th June, accordingly kindly plan the process. Once the plan is finalized, Abhir Sir will visit your college for the PPT session.

Thanks & Best Regards,

Nilesh Khairnar
